

Spirit Week is coming!

Who participates? Everyone! Each age group selects a team mascot and team color.

What is Spirit Week? We dedicate a full week to team games, family fun and of course some friendly class competition.

When is Spirit Week? February 6th-10th

How can families participate?

There are 3 ways you can join in the fun:

1. Follow the daily theme challenges set for all teams
2. Ask your child's teacher if their class will be needing anything to support their team
3. Bring in coins for the coin drive

Why is there a coin drive competition?

At the beginning of each school year, there are always wish list items that the teachers have for their classroom which did not make it into the school budget for the year. We use the funds raised from the coin drive on spirit week to give the teachers spending money to purchase some of these items.

How can my team win? The team jar with the most money in it at the end of the week wins! **BUT** there is a catch!! Pennies take away from the jar's total \$1000, you want to make sure that the other teams have more pennies than your team!

Can we put dollar bills in the jars? Yes! All currency counts. Coins are just a fun way for kids to participate as they go from jar to jar dropping coins in and it gives preschoolers a teachable moment on coin values.
